

# GLOUCESTER TREASURE HUNT

Park in Westgate Street surface car park, postcode GL1 2PU. Take care in the one-way part or the approach road. Stay right at first, then left to turn into Westgate Street.

1. Exit the car park, turning left, uphill
2. Look for this symbol. Take a pic.

3. Cross Archdeacon St. and continue uphill
4. At the Shire Hall take a pic. Continue uphill.
5. Eyes down for 3 cocks. Take a pic. (I'm sorry, it had to be done!)
6. Turn left after "oh my darlin'" towards the gates of the cathedral close.  
Take a pic
7. Turn right, keeping the cathedral on your close left.
8. Spot the gargoyles and take a pic.
9. Follow the path around the side of the cathedral.
10. On the left, are the maidens sleeping or weeping?
11. Bear right towards the arches. Take a pic.
12. Go to the path on the other side of the arches and turn left.
13. Go through the arch facing you and take a pic
14. Continue on to find the knocking lion.
15. In the courtyard take a pic.
16. Go down the alley past S. S. Wesley.
17. Find Gallipoli in the square.
18. Go to the main cathedral entrance and go in.
19. Start down the right-hand side of the cathedral
20. At sir Onesiphorus take a pic.
21. Continue up the ramp.
22. Take a pic in the chapel dedicated to the baptiser of Jesus.
23. Opposite, find the pious gent Abraham. Take a pic.
24. In the colourful chapel take a pic.
25. Continue down the right-hand side of the choir and then enter the choir. Take lots of pics.

26. Exit the choir the way you came in and turn left.
27. Find the king that never was. Take a pic.
28. Take a pic of "blue rhapsody"
29. Enter the lady chapel on the right. Take lots of pics!
30. Exit the lady chapel and turn right under the flags of yore.
31. At the tomb of Edward II take a pic.
32. Go down the steps and then turn right into the treasury. Take a pic of the replica of the Gloucester candlestick.
33. When exiting the treasury, look immediately right. This is the entrance to the upper level. It is not part of the trail, so if you wish, go up and take pics. There should be an amazing view. You will need to return to the area outside the treasury to continue the trail.
34. Turn right to continue the circuit. On the right there is a pair of wooden doors. This is the entrance to the cloisters which you should enter.
35. Follow a clockwise circuit around the cloisters. This was a Harry Potter filming location for at least 2 films. Take lots of pics.
36. The tea room is good a place for a pit stop. I can recommend the caramel shortcake.
37. Take a panorama from a corner.
38. See if you can find these:

39. Go back through the wooden doors into the main cathedral. Turn right.

40. Find the angelic memorial to Bombay born Sarah. Take a pic.
41. Turn left towards the exit. Take a pic of the father of vaccines on the way.
42. Exit the cathedral and then eyes down for crossed keys. There is also an example on the cubes in front of you.
43. Exit the cathedral close the way you came in, and then turn left on Westgate Street.
44. Find some luck near college court. Take a pic.
45. Proceed to the junction where compass points meet. If you are going to the photography exhibition go to number 46, if not got to number 50.
46. Continue straight ahead with the tower on your right.
47. Turn right at Boots.
48. Gloucester Museum is 150 yds ahead on the right.
49. Exit the museum and retrace your steps to the cross (the junction where compass points meet).
50. Turn onto Southgate Street
51. How many bells are there on the left? Take a pic.
52. Continue down the street. Take a pic of Marcus Augustus
53. Find Robert Raikes' house. Take a pic and start back the way you came.
54. Turn left at the cross and take a pic at the headmasters' office
55. Go past the place where the Beetles might meet, then I'll see you at "oh my darlin'" for a snack.

THE END
